

SUMMER 2024

WOODLANDSCAMP.ORG/APPLY

FOR THE KING.

A NOTE FROM BIG JON

Dear Prospective Staffer,

Do you want your summer to count for something? Do you want to invest a season of your life in a mission bigger than yourself? Do you want to live in incredible Christian community? Do you want to grow spiritually and develop as a leader? Do you want to have the most impactful, unforgettable summer of your life? Then we want you!

If I may, let me speak first to your fears. In my experience, two key fears often keep students like you from giving a summer or two of their college career to the Lord. The first is a fear of the unknown. You (like many of your peers) may be thinking, *I'd love to work at camp, but... I've got a school bill to pay...or I should probably take summer classes...or I need to think about my career...or I have a boyfriend/girlfriend back home.* While those things may be true, focusing on temporal (albeit important) unknowns can keep you from being and doing all that God has planned for you.

The second is a fear of missing out. There are likely several months still before summer, meaning it's tempting to think about the potential that a "better opportunity" might arise. If God leads you to apply at Woodlands, do it and don't look back. As my friend Shaunti Feldhan says, "Keeping your options open leads to anxiousness because you are worrying about the what-ifs or 'What am I missing?' You're unsettled. There's an uncertainty, and that certainly leads to a lack of peace. Whereas if I'm all in, I'm committed; it makes it easy. There's peace because that's the only option. Knowing there's an eject seat will always contribute to dissatisfaction."

So as you pray, keep it simple. Don't try to make it make sense or connect all the dots or make the dollars add up before taking the first step. Instead, ask God one simple question – *Lord, where do YOU want me to serve You next summer?* Period. God is for you, and He has a plan for you...a preferred future (Jeremiah 29:11). And God, who is not bound by time and space, is currently present in that preferred future. And He alone knows the steps necessary to get you from where you are to where He wants you to be. So don't get hung up on finite details – include the only One who knows the future in the process. Put all your confidence in Him without depending on your limited understanding of situations, circumstances or dollars. Actively seek His will. If you do, His promise to you is that He will show you which path to take. (Proverbs 3:5-6 NLT)

If you do take the step of applying and if God does provide for you to spend next summer at Woodlands, I can promise you one thing—this will be one of the most incredible, impactful, unforgettable chapters in your life. You will be stretched, you will grow spiritually, you will develop as a leader, you will experience community like you have never seen, you will be part of something bigger than yourself, you will fall in love with God's Word, your relationship with God will reach heights of trust, dependence, and intimacy that you never thought possible...and you'll have the time of your life doing it!

Think about it. Earnestly and fervently pray about it. If there's even a possibility that God may be calling you to serve at Woodlands, please go to woodlandscamp.org/apply. Applying does not commit you, but not applying does ensure that the door for you to experience an impactful, unforgettable summer at Woodlands stays closed. So take that step, and see what God does.

MISSION, VISION, & VALUES

MISSION

Woodlands exists to inspire and equip this generation to do justly, love mercy, and walk humbly with God.

VISION

Our vision is to provide an unforgettable experience where the presence of God drowns out culture and its influences.

VALUES

Our core values are to love, honor, and serve God first and others before ourselves.

STATEMENT OF FAITH

We believe...

- The entire Bible is God's infallible, written Word. We believe that it was uniquely, verbally, and fully inspired by the Holy Spirit and that it was written by men without error. It is the supreme and final authority in all matters on which it speaks.
- There is one true God, eternally existing in three persons (Father, Son, and Holy Spirit) each of whom possesses equally all the attributes of Deity.
- Jesus Christ is God, the living Word, who became flesh through His miraculous conception by the Holy Spirit and His virgin birth. We believe He lived a sinless life and voluntarily atoned for the sins of men by dying on the cross as their substitute, thus satisfying divine justice and accomplishing salvation for all who trust in Him alone. We believe He rose from the dead in the same body, though glorified, in which He lived and died. We believe He ascended bodily into heaven and sat down at the right hand of God the Father, where He, the only mediator between God and man, continually makes intercession for His own.
- Man was originally created in the image of God. He sinned by disobeying God. Every man is in need of regeneration and renewal by the Holy Spirit. We believe salvation of man is wholly a work of God's free grace and is not the work, in whole or in part, of human works or goodness or religious ceremony. God imputes His righteousness to those who put their faith in Christ alone for their salvation, and thereby justified them in His sight. We believe it is the privilege of all who are born again to be assured of their salvation from the very moment in which they trust Christ as their Savior.
- The Holy Spirit has come into the world to reveal and glorify Christ and to apply the saving work of Christ to men. He continually indwells believers from the moment of spiritual birth and seals them until the day of redemption. The fullness, power, and control of the Spirit are appropriated as believers yield their lives by faith to His desires.
- The church is the body of Christ of which Jesus Christ is the Head. The members are those who have trusted by faith the finished work of Christ. The purpose of the church is to glorify God by loving Him and by making Him known to a lost world.
- At physical death, the believer enters immediately into eternal, conscious fellowship with the Lord and awaits the resurrection of his body to everlasting glory and blessing. At physical death, the unbeliever enters immediately into eternal, conscious separation from the Lord and awaits the resurrection of his body to everlasting judgment and condemnation.
- Jesus Christ will come again to the earth – personally, visibly and bodily – to consummate history and the eternal plan of God.
- It is the call of the Lord Jesus Christ for all believers to love God through a personal relationship with Him, to love others by proclaiming the gospel throughout the world, and to make disciples of every nation.
- Every Christian should live for Christ and not for himself. By obedience to the Word and daily yielding to the Spirit, every believer will mature and become conformed to the image of Christ.

THE BULL'S-EYE

In nearly every arena of life, there is a bull's-eye. A goal. A definition for success. Clarification of a win. They exist in sports. They exist in business. They exist in ministry. They exist at Woodlands. As a potential applicant, we want you to know up front what we are all about. Our mission is to inspire and equip each camper and staffer...

To follow Jesus.

First and foremost, it is our desire to present Jesus as irresistible, and in doing so, inspire and equip our campers to decide for themselves to follow Him. They are not forced or cajoled or manipulated or dragged down an aisle kicking and screaming. They are, however, offered God's free gift of salvation and given every opportunity to accept it for themselves.

To love God's Word.

We believe that God's Word is so powerful that it can transform those from the inside out who are disciplined enough to pour it daily into their heart. So we set aside time and provide a plan for our campers to develop the habit of reading and memorizing God's Word each day. Then we send the plan home with them to equip them to continue their new habit throughout the rest of the year.

To live responsibly.

At Woodlands, campers are challenged to live responsibly. They are expected to make wise decisions, to play by the rules, to clean up after themselves, and to be on time. To love, honor, and serve others before themselves. To take ownership of their attitudes, words, stuff, and jobs. They make their bed each morning and pick up their stuff. They help clean their cabin and their bathroom daily. They are inspired to exercise responsible living here at camp to help equip them to live responsibly away from camp.

To give generously.

We want our campers to learn the joys of living life with open hands, not clenched fists. So each week, they are given an opportunity to give a portion of their spending money to the Lord. Our campers have given to underwrite Bible translation efforts; they have sent thousands of Bibles to parts of the world that are hostile to God's Word; they have helped pay for BibleProject animation videos; they have funded a week of camp for children living on a remote island in the western Pacific; they have funded an orphanage in Kenya; they have paid for at-risk kids to attend Woodlands on scholarship, have an unforgettable week, and hear about Jesus!

To have the most impactful, UNFORGETTABLE week of their lives!

Our vision for Woodlands is to create unforgettable experiences. To earn a **permanent** place in the memory of every camper and staffer. That each one walks away from Woodlands and never forgets how much fun they had... and that they never forget the friends they made... and that they never forget the conversations they had... and that they never forget the verses they memorized and lessons they learned... And ultimately, that they never forget the steps they took in their relationship with Jesus. That would make their experience truly **unforgettable!**

CAMP PROGRAMS

TRADITIONAL 

Our traditional overnight camps feature programs for four age groups: Pee-Wee (ages 6-8; campers stay Th-Sa), Junior (ages 8-11; campers stay M-F), Junior High (ages 11-13; campers stay M-Sa), and Teen (ages 13-18; campers stay M-Sa). While at Woodlands, campers stay in cabins on our main site, engage in competition, enjoy our various aquatic and adventure attractions, and experience all of the other unforgettable elements of Woodlands while being inspired and equipped to follow Jesus and love God's Word. We desire that each one walks away feeling known and valued, having made the decision while here to take a step toward God in their relationship with Him.

XTREME 

Woodlands' Xtreme program is an adventure camp for the same age groups as our traditional camps. Xtreme campers and staff will sleep in hammock shelters in the woods in a setting that is best described as Survivor meets Swiss Family Robinson. They participate in regular evening chapel services and take day trips doing different Xtreme sports (e.g. horseback riding, whitewater rafting, rock climbing, caving, etc.). This will afford great opportunities to make new friends, develop unforgettable memories, enjoy the beautiful scenery of North Georgia, and get to know the God who created it all!

FREESTYLE 

Freestyle is our traveling day camp program. In short, we work in partnership with local churches, schools, and communities throughout the Southeast and Midwest to run a week of Woodlands on their site for 5-11-year-old campers. The program will be centered around many of the impactful and unforgettable elements of our traditional camp program and will be facilitated by 23 Woodlands summer staffers who will spend the summer traveling together on a ten-week road trip while staying in host homes.

FREQUENTLY ASKED QUESTIONS

Where is Woodlands and what is it like?

Woodlands is located in Cleveland, Georgia, about an hour northeast of Atlanta. It is a 150-acre portrait of rolling hills, forests and a beautiful, spring-fed lake, all situated in the foothills of North Georgia's scenic Blue Ridge Mountains.

What qualifications do you look for in prospective staff members?

Woodlands hires 180+ extraordinary college students who are following wholeheartedly after Jesus and are passionate about inspiring and equipping the next generation to do the same.

How does the hiring process work?

The process begins with an application and a personal conversation between you and a member of the Woodlands recruiting team. We then check with your spiritual and occupational references, set up an interview (via phone and video), and submit your information for a national background check. Most importantly, we pray fervently throughout the process and ask God to build our summer team by guiding our hearts with wisdom and discernment, by connecting us to the right prospective staffers, and by leading us to offer them the right position in the right program.

How many people does Woodlands hire for the summer?

We will hire 180+ college students for Summer 2024, including 30-40% veterans from previous summers and 60-70% rookies.

Can I use a summer at Woodlands as an internship?

Absolutely! If your school allows it, we will be happy to do whatever we can to help you get credit.

Am I required to attend Training Camp?

YES! It is a time to prepare your head, heart, and hands with the knowledge, attitudes, and skills necessary to accomplish all that God has called you to do here at Woodlands. It is also when most deep and meaningful friendships are formed.

What kind of spiritual impact does the camping ministry make?

In today's culture, the average kid spends 7-9 hours a day connected to media and technology, often filling their hearts with toxic messages and their minds with noise. Camp is one of the few places left on the planet where kids have to disconnect. That creates a 7-9 hour void in their lives. We then get to fill up that void with an unforgettable experience, with an incredible staff of godly mentors, and with the teaching, preaching, reading, memorizing, and modeling of God's Word. And THAT is a recipe for life transformation! In addition to the campers, however, your life will be changed forever! You will see God's hand at work every day, and you will be challenged and stretched spiritually like never before.

What are the weekends like during the summer?

Weekends for onsite programs typically begin after lunch on the week's last day of camp and run through Monday morning. Weekends for offsite programs vary depending on travel needs. The purpose of this time off is to rest, refuel, renew your focus for the next week, bond with other staffers and have fun! Some weekends will include staff outings, and other weekends are free for you to do as you choose.

I'm in a wedding this summer. Am I allowed to go?

Yes. We understand that you are at the age where many of your friends are getting married. We will do our best to accommodate if you are IN weddings, but we must be notified before the summer.

Is there somewhere I can look for additional information?

Why, yes there is. You can visit us online at woodlandscamp.org for a additional info and pictures! You can also check us out on Facebook, Instagram, SmugMug, and YouTube.
